

Finca El Boyeral

Tasting chart

It is no coincidence that the greatest discoveries are to be found in the most inhospitable places.

Grape variety

Grenache

Cask-ageing

Cask-aged for 12 months in French oak barrels (1,300l foudres and 500l barrels)

Vineyard

Yield: 5.000 Kg per hectare

Terroir: This plot, located 605 metres above sea level, has deep, limestone soil with a sandy loam texture.

Tasting

Medium, ruby-red colour.

Intense, complex fruity aroma characteristic of the variety: ripe red fruit with wild base notes, hints of rosemary, bush and infusions.

Round, fleshy and extremely fruity on the palate, not overly powerful and true to its origins, very fresh and elegant.
